

Technical note N°2/2024

Hiking Rule update

From tomorrow June 20, the 44Cup teams are allowed to add a hiking line attached to the forward end of the genoa track, as shown in the pictures below.

The following new hiking rule will be submitted to the owners meeting on Saturday morning:

C.2.3 HIKING Hiking while racing is allowed with the following limitations:

(a) Crew members can only use: sheets, car pullers, vang, winch, winch handles, shrouds, any existing line that is running rigging but not more than 1 m above the deck level, **plus a single fixed line connected to the forward end of both genoa tracks.**
